CRIMINAL NO. Case 1:19-dm-12

v.

JUDGE ANTHONY JOHN TRENGA

JOHN DOE 2010R03793, (Chelsea Manning)

Motion for Leave to File Motion to Intervene

This case is about the First Amendment, Censorship and the Criminal Conduct of the Federal Government

The conclusion will be the Genocide of Mankind - The is not a prediction or prophecy but a mathematical certainty

Statement of Fact: There is no other place to get this information. Look at what is taking place today. The media in this country is for profit and power. (The Speaker of the United States House of Representatives has asked the Trump family to hold an intervention for the President.)

I was declared to be a terrorist by the Federal Government to silence and discredit me. I am a lifetime commissioned US Military Officer that is trying to protect his country and honor the oath that I took.

I will start with my most recent federal court filings. It will take some effort on the part of court to comprehend what is taking place. My writings are disjointed and incoherent and for that I am sorry.

These specific pleadings are about the criminal conduct of the National Media. I am only including the pleadings that were filed with the Court of Appeals for the District of Columbia Circuit (CADC) in one specific case. I have four appeals pending with the CADC from four cases, criminal and civil, that are currently before the District of Columbia.

Corbitt, United States v. Chaagra, United States v. Lohman, Marcus v. St. Tammany Parish School Board, United States v. Cleveland, United States v. Davis, United States v. Carollo and Ford Motor Bronco II MDL

The Danziger Civil Rights Case in New Orleans after Hurricane Katrina. The Department of Justice had an electronic recording of what took place on the Danziger Bridge that day. The agreement between the defendants and prosecution was that the electronic recording would not be used and in exchange there would be no death penalty. The DOJ wanted a coverup conviction and not a murder conviction. They were hoping that the policemen would get 6 – 8 years for the cover-up and not the 65-year prison sentences that they got. God worked in a very mysterious way and gave the DOJ a World Series Winning Grand Slam. FBI Director Robert Mueller hedged his bet and assigned a two-year, non-investigator, to the case. The agent was convincing and became more convincing when he lied on the witness stand. This becomes exponentially more complicated because of the following: the US Navy was at the Danziger Bridge conducting illegal operational missions within the United States. American Sniper Chris Kyle actually bragged about murdering Americans in New Orleans. SEAL Team 22 from the Stennis Space Center, north of New Orleans on the Pearl River, committed genocide against our fellow Americans in violation of the Constitution and the Posse Act. It was Mueller's agents that were instrumental in covering up the murders.

Godspeed.

Sincerely filed
